

Two Ways to e-Mail a Picture Using Outlook Express - XP

1.

Right click on picture you are sending.

Drag down to, "Send to".

Click on, "Mail recipient".

Make sure, "Make all my pictures smaller" button is highlighted.

Click on Ok.

The Outlook Express window will come up with picture already attached.

2.

Open Outlook Express.

Click "Create" button.

Click "Attach" button.

Navigate to find the folder with picture you want.

Double click to open folder.

Click on picture.

Click on the "Attach" button.
